MOTION TO FILE ERRATA

Counsel for the Acting General Counsel requests to file Errata to the Answering Brief to Respondent's Exceptions (Brief), which was submitted in the above-captioned case on February 7, 2013.

The Brief is to be corrected by replacing the original Table of Contents and Table of Authorities with the attached. The remainder of the Brief is also attached, without substantive changes having been made, for the purpose of pagination and formatting accuracy and consistency, between the references in the Table of Contents and Table of Authorities, and the Brief.

This errata is intended merely to correct inadvertent mistakes in formatting in the Table of Contents and listings and citations in the Table of Authorities. It is clear that this Errata is not an attempt to introduce newly discovered authorities, arguments, or content.

Charging Party and Respondent were given prior notification of this request to file Errata, and do not oppose this Motion.

WHEREFORE, Counsel for the Acting General Counsel respectfully requests that its Motion to File Errata be granted.

Dated: February 11, 2013

Respectfully submitted,

Carmen León
